Amount Allowed by Board of Examiners Comes in Handy.

INSTITUTION'S EXPENSES INCREASING RAPIDLY

Establishment of Juvenile Courts Has Swelled the Number of Inmates.

Special to The Tribune.

OGDEN, July 7.—The application of the Board of Trustees of the State In-dustrial school to the Board of Examiners, for permission to incur a deficit of approximately \$20,000, which was recently granted, was to meet the demands of an institution, because of the more stringent laws against the de-linquencies of juveniles and those who contribute to such delinquencies, the creation of the Juvenile courts

The report of the trustees to the State Board of Examiners shows that the appropriation for the maintenance of the school for the two years was but \$25,000. To this other sources of in-come, such as the rental of lands belonging to the State, the institution receiving its proportion, brings the total income for the biennial period up to \$43,583.01. The disbursements reach this sum within \$2000, and this is the amount that the trustees have in hand to run the institution from May 1 to December 31 of this year.

Water Supply Acquired.

In addition, a water supply had to The establishment of the Juvenile courts has increased the number of pupils in the institution over 100 per cent. Since the first of January, 1905, the process of the pupils of the pup the new commitments are a total of 153, of which 23 are girls and 139 are The Juvenile courts have been industrious, and in the period named Judge Brown of Salt Lake has com-mitted 83 boys and 7 girls. The pres-ent population of the school is 80 boys and 26 girls.

Where Sent From.

An analysis of the commitments to the school show that 90 have been sent from Salt Lake by Judge Brown; 22 boys and 11 girls from Ogden by Judge Patton, 22 boys and 3 girls from the various District courts in the State, 1 boy and 1 girl from Logan, and 2 boys and 1 girl from Provo.

urban railroads in the east, is again in Ogden. It will be remembered that last year Mr. Mahler, after having secured several county and city franchises from Payson on the south to Logan on the north, was turned down by the Ogden City Council and his proposed franchise refused him.

Mr. Mahler is now here and is accompanied by Guy Stirling, an engineer of Salt Lake. The two gentlemen have just completed a trip by wagon from Logan to Ogden and will proceed to Salt Lake by the same means of conveyance. The purpose is to locate the line in definite shape, and Mr. Mahler says it will be the first interurban line in Utah, regardless of the action of the Council of Ogden. If they refuse him a franchise he will build around the city. build around the city

GARAGE AT LAGOON

Automobilists Will Appreciate New Feature at the Resort.

An automobile garage is the latest convenience which is to be installed at the Lagoon. Automobiling between Sait Lake and Lagoon has become very popular in motor circles this last season, because of the excellent condition of the roads and the fine scenery throughout the eighteen-mile run. The road goes through some very fine farming country. Dozens of machines of all kinds wend their way out to the resort each day, and to furnish these with supplies and to enable the owners to stop over to rest, take lunch, etc., the management will commence work the first of the week on a large garage.
